Two former best friends struggle to fit in and join the inner circles of middle school social life in this absorbing second entry of a duology about a resilient friendship, the pressure to conform, and the power of self-acceptance. Picking up where The Popularity Pact: Camp Clique left off, the second book in this exciting duology finds former best friends Bea and Maisy preparing for the new school year. Bea kept up her end of the bargain, getting Maisy "in" with the girls at camp. Now it's Maisy's turn to fulfill her promise to ingratiate Bea with the popular girls. When Bea is accepted into this new inner circle, she begins to lose sight of what true friendship is all about. As Bea seems prepared to sacrifice anything to be "cool," Maisy realizes there's more to life than hanging out with a bunch of mean girls. Can she convince Bea that the popularity pact was a mistake? Can these former friends find their way back to each other?

This insightful book offers a careful, intelligent look at doubt--at some of its common sources, the challenges it presents, and the opportunities it may open up in a person's quest for faith.

"Earlier version copyright under title Those familiar spirits"-- T.p. verso.

The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.

From one of America’s most popular short story writers and an Academy Award nominee: the O. Henry Award–winning tale that inspired the movie The Hunt. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (The Telegraph). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —Criterion
