and down to earth cowboy, Maxwell Cunningham. Recently, Maxwell's father passed away and in his last Will and Testament he dropped a bomb no one saw coming. One of the richest men in the world, left forty-nine percent of his company to a sister my client never knew he had. A woman named Mia Saunders. Maxwell has a year to find this sister or he loses almost half of his empire to a greedy board of investors. Somehow, he found me and here I am. Sharing in family dinners, pretending to be someone I'm not and fooling bigwigs left and right. Only I'm finding myself falling in love with a family I can never have. One that will hurt to leave. Stetsons, soul-searching, and sisterly duty all come into a sharp tangle with twists and turns I never saw coming. *** In the eighth book of the Calendar Girl serial, Mia is sent to Dallas, Texas. Still on her mission to save her father, she is hired to be the long lost sister of Maxwell Cunningham, one of the newly richest men in America. Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books. –Hooks & Books Blog "This story was exciting, quick; but well paced and full of loveable characters. I haven't met a character in this series that I haven't liked yet!" –Nice and Nau Synopsis Unwilling escort Mia Saunders's journey continues in the second anthology of the Calendar Girl series! In the next three months, Mia heads to Boston, Oahu, and Washington DC. In April, she poses as girlfriend to philandering Mason Murphy, a professional baseball player who needs a better image, only to find he's not at all what she expected. May finds Mia turning up the heat with Samoan model and fire-dancer Tai Niko as she participates in a swimsuit campaign designed to prove that beauty really does come in all sizes. Mia rounds out June as the arm candy for Warren Shipley, a member of the wealthy one percenters. Although she's pretending to be a gold-digger, Warren turns out to have a heart of gold. However, his devastatingly handsome son, Aaron, a California Senator, is nowhere near as kind.

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." –Meredith Wild, #1 NYT Bestselling Author Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. *** Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
