she tells them the greatest lesson, if you really love something, you have to let it go.

From the creator of Perfectly Norman comes a sensitive and reassuring story about what to do when a worry won't leave you alone. Meet Ruby--a happy, curious, imaginative girl. But one day, she finds something unexpected: a Worry. It's not such a big Worry, at first. But every day, it grows a little bigger . . . And a little bigger . . . Until eventually, the Worry is ENORMOUS and is all she can think about. But when Ruby befriends a young boy, she discovers that everyone has worries,

and not only that, there's a great way to get rid of them too . . . This perceptive and poignant story is the perfect springboard for talking to children about emotional intelligence and sharing hidden anxieties. The Big Bright Feelings picture books provide kid-friendly entry points into emotional intelligence topics--from being true to yourself, to worrying, to anger management, to making friends. These topics can be difficult to talk about. But these books act as sensitive and reassuring springboards for conversations about mental and emotional health, positive self-image, building self-

gold, and famous for its food. From the delicate cream cheeses of Kurdsburg to the Hopes-of-Heaven pastries of Chouxville, each was so delicious that people wept with joy as they ate them. But even in this happy kingdom, a monster lurks. Legend tells of a fearsome creature living far to the north in the Marshlands... the Ickabog. Some say it breathes fire, spits poison, and roars through the mist as it carries off wayward sheep and children alike. Some say it's just a myth... And when that myth takes on a life of its own, casting a shadow over the kingdom, two children - best friends Bert and

Read Book Bog Baby Literacy Activities

Daisy - embark on a great adventure to untangle the truth and find out where the real monster lies, bringing hope and happiness to Cornucopia once more. Featuring full color illustrations by children from across the United States and Canada, this original fairy tale from one of the world's most celebrated storytellers will captivate readers of all ages.

The Experiential Library: Transforming Academic and Research Libraries through the Power of Experiential Learning features contributions—in a relatively conversational,

Read Book Bog Baby Literacy Activities

practical, and "how-to" format—from various academic libraries across broad educational levels that have implemented experiential learning programs, services, or resources to enhance the learning and development of both students and library employees. As academic libraries and academic librarians are seeking ways to transform themselves and create collaborative synergies within and without their institutions, this timely book suggests exciting ways to integrate experiential learning into the library's offerings. Ranging from integrated service learning and Information Literacy instruction that "takes

Read Book Bog Baby Literacy Activities

the class out of the classroom," to unique experiential approaches to programming like Course Exhibits and the Human Library, the book is a one-stop-shop for libraries looking to expand their repertoire. It will also help them create connections between experiential learning and their institutions' missions and contributions to student success, by grounding these programs and services on a sure methodological footing. Librarians and educators wishing to learn more about the connections between experiential learning/experiential education and academic libraries would benefit from the advice from

Read Book Bog Baby Literacy Activities

authors in this book. Covers experiential learning for academic and research libraries
Presents diverse aspects of experiential learning in academic libraries across the spectrum of educational levels
Offers a one-stop-shop for librarians keen on bringing experiential learning to their institutions
Adds to current conversations in both LIS and experiential education, enabling further synergies in both disciplines

A program for parents and professionals on how to raise kids who love to read, featuring interviews with childhood development

Read Book Bog Baby Literacy Activities

experts, advice from librarians, tips from authors and children's book publishers, and reading recommendations for kids from birth up to age five. Every parent wants to give his or her child a competitive advantage. In *Born Reading*, publishing insider (and new dad) Jason Boog explains how that can be as simple as opening a book. Studies have shown that interactive reading—a method that creates dialogue as you read together—can raise a child's IQ by more than six points. In fact, interactive reading can have just as much of a determining factor on a child's IQ as vitamins and a healthy diet. But there's

Read Book Bog Baby Literacy Activities

no book that takes the cutting-edge research on interactive reading and shows parents, teachers, and librarians how to apply it to their day-to-day lives with kids, until now. Born Reading provides step-by-step instructions on interactive reading and advice for developing your child's interest in books from the time they are born. Boog has done the research, talked with the leading experts in child development, and worked with them to compile the "Born Reading Essential Books" lists, offering specific titles tailored to the interests and passions of kids from birth to age five. But reading

Read Book Bog Baby Literacy Activities

can take many forms—print books as well as ebooks and apps—and Born Reading also includes tips on how to use technology the right way to help (not hinder) your child's intellectual development. Parents will find advice on which educational apps best supplement their child's development, when to start introducing digital reading to their child, and how to use tech to help create the readers of tomorrow. Born Reading will show anyone who loves kids how to make sure the children they care about are building a powerful foundation in literacy from the beginning of life.
