The focus of the book is on different ways of knowing: the western scientific way (reductionist, dualistic and materialist) versus the indigenous approach (holistic,

Download File PDF CI Not Dismissed Reflections On

non-dualistic, and spiritual). It discusses both science and medicine in the context of the challenges experienced in introducing science and medicine into Africa through imperialism, colonization, and globalization. It looks at selected indigenous African paradigms, the dominant western paradigms, and the

Download File PDF CI Not Dismissed Reflections On

practitioners that represent these practices. The book deals with questions concerning compatibility and incompatibility of different ways of knowing and delves into epistemological stances, and the assumptions underlying these epistemologies. The volume investigates whether, and how a person can

Offers a striking new reading of Agamben's political thought and its implications for political action in the present. Challenging the prevalent account of Agamben as a pessimistic thinker, *Catastrophe and Redemption* proposes a reading of his political thought in which

Download File PDF CI Not Dismissed Reflections On

the redemptive element of his work is not a curious aside but instead is fundamental to his project. Jessica Whyte considers his critical account of contemporary politics—his argument that Western politics has been “biopolitics” since its inception, his critique of human rights, his argument that the state of exception is now the

Download File PDF CI Not Dismissed Reflections On

norm, and the paradigmatic significance he attributes to the concentration camp—and shows that it is in the midst of these catastrophes of the present that Agamben sees the possibility of a form of profane redemption. Whyte outlines the importance of potentiality in his attempt to formulate a new politics, examines his
