Amazon.com: Customer reviews: In Therapy (Wellcome)
In the UK alone, 1.5 million people are in therapy. They go to address past traumas, to break patterns of behaviour, to confront eating disorders or addiction, to talk about relationships, or simply because they want to find out more about what makes them tick.

In Therapy | Wellcome Collection
Ultimately, it 's OK to draw a blank in therapy or meander your way to a topic. You don 't need to bring a weighty subject matter or problem to therapy every week to make it count, Dahlen deVos said. Breakthroughs happen even during sessions you worry are going to be boring.
