Integrating business law with ethics and effective management, Bagley's MANAGERS AND THE LEGAL ENVIRONMENT: STRATEGIES FOR THE 21ST CENTURY, 8E equips future managers with the legal knowledge and risk management techniques essential for success in global business. Renowned for its cutting-edge coverage and strategic approach, this book offers one of the most comprehensive yet easy-to-understand presentations of today's global legal environment of business. Proven learning features such as Inside Story and Perspective boxes illustrate how the law impacts daily management decisions and business strategies, and A Manager's Dilemma feature challenges readers to consider such issues as whether to outsource labor to a country known for poor working conditions and the ethics of structuring a business to avoid domestic taxes. Fulfilling AACSB requirements, the eighth edition addresses the legal, political, regulatory, and ethical dimensions of business. Reflecting the latest developments and decisions, the text's up-to-date coverage includes the regulation of commercial speech, the disclosure of corporate political spending, the application of the Fourth Amendment to cell phone location data, the patentability of human genes, employees' use of social media, regulatory responses to climate change, the fiduciary duties of managers of limited liability companies, the FCC's proposed rules on net neutrality, the constitutionality of Obamacare, the use of race in college admissions, the Defense of Marriage Act, NSA surveillance programs, the right of college football players to unionize, and more. Equip your students with the legal and risk management knowledge essential for success in business management today with Bagley's MANAGERS AND THE LEGAL ENVIRONMENT: STRATEGIES FOR THE 21st CENTURY, 7E. Recognized and respected for its cutting-edge coverage and strategic approach, this book offers one of the most comprehensive, challenging, and understandable presentations of legal environments available today. In-depth coverage throughout this edition works with proven management learning features to illustrate how the law impacts daily management decisions and business strategies. Future managers learn how to use principles of law to minimize risk and create value, attain core business objectives, identify and resolve legal issues before they become problems, and effectively handle legal disputes. This edition streamlines coverage of real estate, courts, and ADR to emphasize key principles, while new coverage highlights developments, such as the Dodd-Frank Statute and new legal dilemmas. Integrate today's law with effective management in a presentation that's ideal for both current and future business managers with MANAGERS AND THE LEGAL ENVIRONMENT: STRATEGIES FOR THE 21ST CENTURY, 7E. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

With new cases and examples from headlines, MANAGERS AND THE LEGAL ENVIRONMENT: STRATEGIES FOR BUSINESS, 9E equips readers with the legal knowledge and risk management techniques for success as a business manager. Cutting-edge coverage and a strategic approach teach how to enhance realizable value, redeploy resources, and manage legal and business risk. Up-to-date coverage addresses the rights of workers at firms, like Uber, in the gig economy; the right of employers to restrict employees' social media; ethics of compensating workers who are tipped; law to protect children's safety on the Internet; Fourth Amendment concerns in searches of cell location; rules governing crowdfunding; and the ramifications of the EU's right to be forgotten. Readers learn to use legal tools to create value, attain business objectives, resolve legal issues, and handle legal disputes. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A practical approach to the modern management of intellectual property The world has changed significantly in the past decade, resulting in new behavior and practice related to the ownership and management of intellectual property. This book helps executives, attorneys, accountants, managers, owners, and others understand the legal, technological, economic, and cultural changes that have affected IP ownership and management. It provides case studies, practical examples and advice from seasoned and enduring professionals who have adopted new and streamlined methods and practices whether as in-house or outside counsel, or service providers. Provides a practical yet global approach to corporate IP management Serves as a resource for in-house and outside counsel, executives, managers, accountants, consultants and others at mid-size and large corporations Helps professionals navigate the numerous new challenges that have changed the ways in which intellectual property is obtained and managed Details the latest trends in valuation, exploitation, and protection of intellectual property Extensive coverage of the legal, financial, accounting and general business aspects of intellectual property The combined expertise of lawyers, accountants, economists and other business professionals Timely and relevant in view of the global economic

recessionamidst rampant technological development, this book offers newsolutions, practices, policies and strategies as a result ofchanges in economies and markets, laws, globalization, environment,and public perception.

Public Human Resource Management: Strategies and Practices in the 21st Century offers a novel take on public human resource management (PHRM) by providing practical guidance for practitioners operating in a drastically reformed HR environment. Author R. Paul Battaglio assesses how the traditional practice of public HR has changed—and not necessarily for the better--by looking at new material on human resource information systems, managing motivation in the public sector, and public HR management education (a topic rarely found in contemporary PHRM texts). Public Human Resource Management is an essential guide to managing and navigating the challenges and opportunities posed in the changing landscape of HR reform.

Recognized and respected for its cutting-edge material and strategic approach, MANAGERS AND THE LEGAL ENVIRONMENT: STRATEGIES FOR THE 21ST CENTURY, Sixth Edition, is one of the most comprehensive, challenging, and understandable texts on legal environments available. Its in-depth coverage illustrates how the law impacts daily management decisions and business strategies, including how managers use the law to minimize risk and create value; craft solutions to attain core business objectives; spot legal issues before they become problems; and effectively handle the inevitable legal disputes that arise in the course of doing business. Skillfully integrating law with management from the perspectives of current and future business managers, MANAGERS AND THE LEGAL ENVIRONMENT: STRATEGIES FOR THE 21ST CENTURY, Sixth Edition, is equally suitable for students with substantial work experience, as well as those studying business for the first time. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The updated 4th Edition of THE ENTREPRENEUR'S GUIDE TO BUSINESS LAW takes you through the various stages of starting a business--from start-up and growth to an initial public offering--while highlighting the legal preparations and pitfalls that go along with them. Packed with practical strategies for managing legal issues, the text presents the essentials on leaving your job, competing with a former employer, contract law, and bankruptcy, as well as on the most current issues like clean energy, e-commerce, and the effects of the recent recession on entrepreneurship. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Business Insider calls The ENTREPRENEUR'S GUIDE "perhaps the most useful business book you can ever read" and lists it among twenty-five must-read books for entrepreneurs. THE ENTREPRENEUR'S GUIDE TO LAW AND STRATEGY, 5E examines stages of starting a business -- from start-up and growth to public offering, while highlighting legal preparations and pitfalls. Cutting-edge examples show how legally astute entrepreneurs can strategically increase realizable value, deploy resources, and manage risk. The book discusses leaving a job, hiring former coworkers, competing with a former employer, workplace legislation, product liability, and bankruptcy. You examine current issues including today's workforce in the "gig" economy, "crowdsourcing" capital and social media, computer hacking and identity theft. Legal discussion integrates with core strategic concepts, such as Porter's Five Forces, the resource-based view of the firm, the value proposition, activities in the value chain and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Truly global in scope and ambition, the 21st Century Public Manager addresses key trends, challenges, and opportunities facing public managers across contexts and regimes. This accessible textbook aims to inspire public managers in rethinking their roles, skills, and values as they enter a VUCA world—one characterized by volatility, uncertainty, complexity, and ambiguity. It is written for aspiring and current public managers in graduate schools and executive education programs.
