Ramp up the tension and keep your readers hooked! Inside you'll find everything you need to know to spice up your story, move your plot forward, and keep your readers turning pages. Expert thriller author and writing instructor James Scott Bell shows you how to craft scenes, create characters, and develop storylines that harness conflict and suspense to carry your story from the first word to the last. Learn from examples of successful novels and movies as you transform your work from ho-hum to high-tension. ☐ Pack the beginning, middle, and end of your book with the right amount of conflict. ☐ Tap into the suspenseful power of each character's inner conflict. ☐ Build conflict into your story's point of view. ☐ Balance subplots, flashbacks, and backstory to keep your story moving forward. ☐ Maximize the tension in your characters' dialogue. ☐ Amp up the suspense when you revise. Conflict & Suspense offers proven techniques that help you craft fiction your readers won't be able to put down.

Shyness, bullying, and depression can be a sad part of every child's school experience. Each of these problems can be traced back to a single source—a lack of self-esteem. In my many years of working with children, I have found that the key to helping our kids succeed in life is building up their self-esteem at an early age. In this book are valuable life lessons that have been tried and tested for more than fifteen years by myself and other parents and teachers in their homes and classrooms. The subjects that are taught range from courage to forgiveness. The lessons are fun and uplifting and have profound effects on children and their self-esteem. When children feel they have value, they are happier and do better in school and in life. ☐ I taught the lesson for PSE on Joy... Thank you so much for such a great lesson. I went to teach it to the kids (at their level) and left the classroom so encouraged and full of joy because I couldn't help but to understand the topic! The kids enjoyed all the activities, and we had such a fun time. Again, thank you so much for all the work you do to put this program together. It doesn't just impact the children; it was an amazing and timely reminder for me today! ☐Cristina Sands, stay-at-home mom ☐PSE is a wonderful program at our school! The valuable lessons and discussion points are age-appropriate and engaging. We appreciate how they are grade specific. Our students, teachers, and volunteers look forward to the activities and reliable topics each month.☐ ☐Marlo Guerra, PTA member and grounds supervisor

Let the author of Financial Peace guide you and your family down the road to success with this companion to the bestselling More than Enough In Financial Peace, Dave Ramsey showed readers how to get out of debt. Now he uses the same blend of down-home wisdom and straight talk to take readers to the next step: building wealth. But success means more than money—it means having a happy marriage and family. In How to Have More Than Enough, Dave Ramsey guides readers down the path to true success. Rather than gimmicks or quick fixes, Ramsey's method for achieving financial and familial stability focuses on ten traits essential to creating prosperity, teaching children about money, living debt-free, and achieving marital bliss when it comes to finances. His easy-to-follow workbook illustrates each of these traits and allows readers to frequently assess their progress and honestly evaluate their situation. How to Have More Than Enough offers readers and their spouses the chance to work toward building wealth and strengthening their families.
