*Flash and the Pan - Welcome to the Universe Lyrics ...*

Neil felt a call from the universe on a first visit to the Hayden Planetarium in New York City when he was 9 years old. As a city kid, he saw the glories of the nighttime sky for the first time displayed on the planetarium dome and decided at that moment to become an astronomer. Today he is the director of that institution.

*Welcome to the Universe: An Astrophysical Tour - Preface*

Welcome to the Universe is a personal guided tour of the cosmos by three of today's leading astrophysicists.
