One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.
